

# STEWARDS OF CHILDREN

Bring **Darkness** to **Light** & *Help End Child Sexual Abuse*

Greater Richmond SCAN (Stop Child Abuse Now) is pleased to offer *Stewards of Children* training, a nationally recognized child sexual abuse prevention program. Based on the national prevention model developed by the Darkness to Light Foundation, the goal of this training is to diminish the incidence and impact of child sexual abuse and to raise awareness of the prevalence and consequences of child sexual abuse in our communities.

*Stewards of Children* teaches adults how to prevent, recognize and react responsibly to child sexual abuse. The program is designed for individuals concerned about the safety of children as well as organizations that serve youth. *Stewards of Children* is the only nationally distributed program proven to increase knowledge, improve attitudes, and change child protective behaviors.

*Stewards of Children* is engaging, thought provoking and inspiring.
